The Captains Bar

Designed and built by Irish Artisans in Dublin, our Captains Bar is the highlight of the Captains Lounge. Whether you choose a cash bar, beer & wine option or an open bar for your event, it lends itself to a wonderful place for your guests to mingle and interact with each other.

On the Waterfront

By day or night, the West River is a beautiful backdrop for your celebration. Arriving by boat? You're welcome to dock in one of a handful of restaurant slips, with more slips available next door at Pirates Cove Marina.

Service and Menu

Let our Pirates Cove team take care of meal preparation, service and clean-up, allowing you the time to enjoy your day and focus on your guests. It starts with a phone call to book your date. After that, we'll help you plan a menu that suits your taste, style and budget. Whatever you choose, trust that Executive Chef Steve Hardison's recipes will make your event shine bright.
